Dear Mrs. Weisberg,

Thank you for your letter of the 25th. We are sorry to hear of Harold's surgery and that he will be unable to attend the reunion. We had looked forward to seeing him again. Many a day we met in Eighth St. Park and walked to high school together, and very often we walked home together as far as Eighth and Broome.

Please convey our best wishes to him for a full and speedy recovery.

Enclosed is order form and check for Harold's latest book.

Best regards,

Jim Nichols
